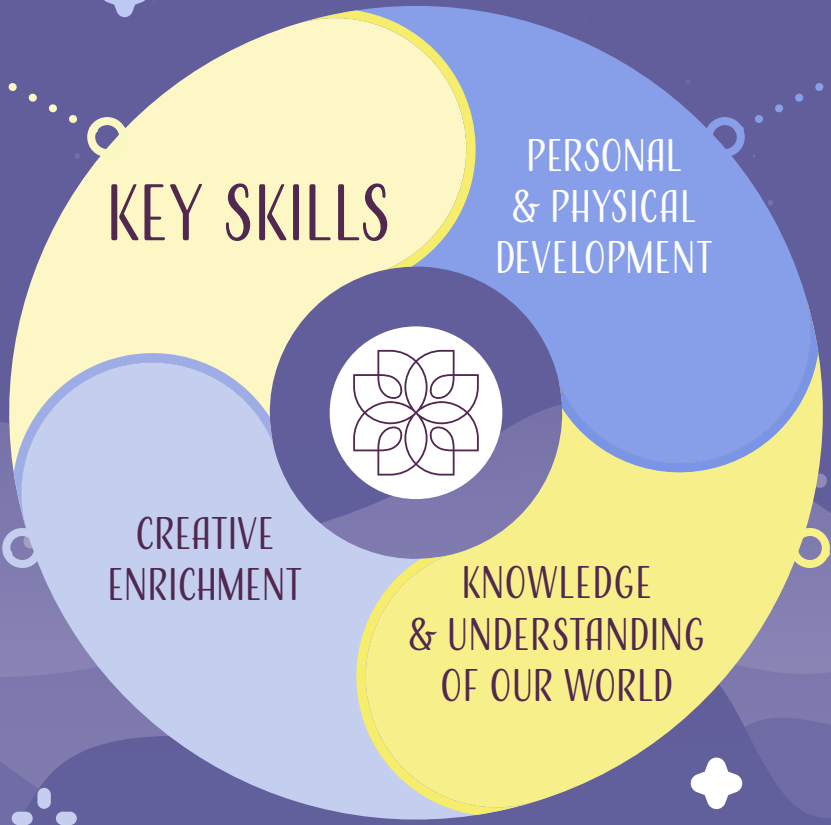
Curriculum Map

Providing pupils with the key skills they require to become a successful and independent member of our community

Supporting and allowing pupils to **express their creative skills** to the best of their ability



Supporting pupils to acquire the knowledge, understanding and skills they need to manage their lives in a physically and mentally healthy way

Ensuring pupils are provided with the foundations they need to understand the human, physical, social and spiritual aspects of the world we live in

READY FOR LEARNING.
PREPARED FOR LIFE.

learn & thrive
